

Grace Baptist Children's Ministries

At Grace Baptist Church of Blue Bell, we have an active children's ministry where every child is valued. We seek to witness the love of God to children in word and deed, as well as help children develop a Christian faith that will sustain them throughout their lives. We offer a variety of activities for children of all ages including:

- **Sunday School for all ages every week from September through June. Our Sunday School program includes a music and prayer time for all ages, as well as a separate Bible lesson and activities for each age group.**
- **-Children's Church is offered during the latter part of the worship hour every Sunday for children aged Pre-K through 2nd grade. During this special worship time, children hear and participate in a scripture lesson and activity which often include short skits, crafts and games.**
- **-Super Saturdays-a Saturday morning event offering activities, games, crafts and snacks for children aged 3 years through 5th grade**
- **-Parents' Night Out-an evening of activities for children aged 3 years through 5th grade on the 1st Friday of each month**
- **-Vacation Bible School-offered in the summer months**
- **-Additional picnics, programs and activities throughout the year**
